

2010 Mukwonago Braves Football Program

We are now entering the 27th year of the Mukwonago Braves Youth Football program. We started with one team, 2 coaches and 24 kids the first year. We have grown to 36 coaches and trainers and over 300 Kids participation from 5th to 8th grade. So help keep the strong tradition of football alive in our community. The Braves volunteer staff needs your help to keep our kids in safe equipment for the game they love so much. 100% of the proceeds from this fund raising program will go toward the purchase of new and the replacement of used equipment for our 5th, 6th, 7th and 8th grade football program. This program provides a solid foundation for our high school program, which year after year proves to be one of the best in the conference. Help us make sure any young man who wants to participate can. The Braves have consistently had the lowest fees in the area due to your support.
